Amanda | MGM Springfield | Leadership Meeting

“We had the pleasure of hiring Chris for our "Comedy for a Cause" event. I always scour YouTube for local comedians, and I'm always so nervous I'll make a wrong choice and our show will be a bust. Well, if you're feeling like that, rest assured, Chris will provide a lot of clean laughs and your crowd will love him! We had such a nice experience working with him, he is professional, easy to work with, and best of all, funny!! You won't regret hiring him. We will have him back in the future. Thank you so much for a great show!”

Kellie Dow | RE/MAX Executive Charitable Foundation

“I had the pleasure of working with Chris to set up a Stand Up Comedy Night awareness event for our non-profit in the great north woods of New Hampshire. Chris was easy to work with during the planning and when he arrived for the show, was not only prepared with a great set, but was also able to read the room and play to the crowd with great success! This was our second time having Chris headline our event. Folks enjoyed his show so much the first year, that we reached out to have him come again. We were grateful for his professionalism in setting things up, for his willingness to drive so far, and for his incredible performances. I highly recommend him if you are looking for a fun night and lots of laughs!!”
